

PRE-MERCHANDISED DISPLAY BUNDLES

CONVENIENCE YOU CAN COUNT ON

Pre-Merchandised Display (PMD) Bundles are a quality and cost effective product solution. These PMD items are palletized and can be dropped on store floors for quick and easy merchandising. Packs feature transparent poly wrap to provide customers a clear view of the individual products inside, reducing instances of opened case damages at shelf.

Ideal for small businesses and offices, these PMD bundles are easy to transport and require less storage space. These products are a convenient alternative when compared to our standard case packaging.
