

# OUR WIDEST ROLLS EVER

## INTRODUCING OUR NEW 10" THRU-AIR-DRIED (TAD) ROLL TOWELS

Give your customers the ultimate absorbency and softness with the **Embassy®** 10" Thru-Air-Dried (TAD) Roll Towels. With the choice of 800' or 525' of paper and our widest 10" roll, the **Embassy®** 10" TAD towels are ideal for busy washrooms as they require less frequent roll changes.

The **NOIR** Electronic and Mechanical 10" Roll Towel Dispensers match most décor with their simple cover designs. The optional touchless, hidden paper mode on the **NOIR** Electronic dispenser provides a more hygienic washroom experience while the exposed towel mode and mechanical dispensers are ideal for high traffic areas.
